

# All the Days in an 80-Year Human Life

(2 rows = 1 year, each section = 1 decade)

A large rectangular area filled with a dense grid of small, light gray squares. The squares are arranged in a regular pattern, creating a textured, almost pixelated appearance. The overall color is a very light gray, and the squares are slightly darker, giving it a three-dimensional or woven look. This area occupies the majority of the page, with a white margin at the top and bottom.
